

Farming for Our Future: The Science, Law, and Policy of Climate-Neutral Agriculture – A Book Chat with the Authors

Join us as we host the co-authors of *Farming for Our Future*, a book that provides the first comprehensive overview of the law and policy of agricultural emissions in the United States. This book chat is intended for advocates, policymakers, and researchers alike and is co-hosted by the Harvard Food Law Society and the Harvard Law School Food Law and Policy Clinic (FLPC).
